HRI is offering a first come first serve scholarship to youth ages 14 – 18 who want to use the facilities at the Central Square YMCA. Membership includes use of the work out equipment, basketball courts, swimming pool and classes that are free with membership for a one-year basis. Classes that are for a fee will be offered at the discount membership fee to those in this program. It is up to the discretion of HRI to take a youth's slot before the year is up if the youth is not using the YMCA on a regular basis or has disciplinary problems while at the YMCA. Parents/Guardians understand that this scholarship is for the use of these facilities but that the youth are still the responsibility of the parent/guardian while at the YMCA and getting to and from the facility. This is not a supervised program and the youth will never be in the direct care of HRI or the YMCA. If you give permission for your child to receive a scholarship to the YMCA for the year and agree to assume responsibility for your child during these times please sign below.
